simon.weber@york.ac.uk

Lecturer, University of York
Department of Economics and Related Studies
York, UK.

PERSONAL

Citizenship: French
Date of Birth: August 16th, 1990

EDUCATION

2016 – 2017 Predoctoral Scholar, University of Chicago
2011 – 2017 PhD in Economics, Sciences Po Paris
2013 Master in Economics and Public Policy, Sciences Po Paris

PROFESSIONAL EXPERIENCE

2019– Lecturer, University of York
2018 – 2019 Postdoctoral Scholar, KU Leuven
2018 Postdoctoral Scholar, University of Luxembourg
2017 – 2018 Research Scholar, Becker Friedman Institute, University of Chicago

FIELDS OF INTEREST

Matching Theory (C78), Family Economics (D1), Labor and Demographic Economics (J).

TEACHING

2021– Applied microeconomics 1, lecturer and module leader, University of York.

2019–	Economics 2: Microeconomics, lecturer and module leader, University of York.
2019–	Microeconomics 1, lecturer, University of York.
2019–	Dissertation supervision, University of York.
2019 – 2020	Economics 2: Microeconomics, lecturer, University of York.
2016 – 2018	Human Capital, Markets, and the Family (ECON 350), invited Lecturer, University of Chicago.
2016	Matching and the Marriage Market, invited Lecturer, University of Chicago.
2014	Public Economics and Political Economy, Sciences Po.
2013 – 2014	Introduction to the principles of microeconomics, Sciences Po.

SEMINAR AND CONFERENCE PRESENTATIONS

September 24, 2019, WOLFE workshop ; October 22, 2018, CERGE-EI Prague ; October 3, 2018, KU Leuven ; July 17, 2018, LISER ; June 28, 2018, University of Luxembourg ; June 6, 2018, Childcare closing workshop, University of Luxembourg and LISER ; March 30, 2018, Family Economics Workshop, University of Chicago ; February 26, 2018, University of Chicago ; August 18, 2017, CEHD-University of Chicago ; November 28, 2016, CEHD-University of Chicago ; June 30, 2016, University of Chicago ; April 29, 2016, OTEAE Workshop, NYU ; April 22, 2016, Family Economics Workshop, University of Chicago ; April 15, 2016, University of Chicago ; February 16, 2016, University of Chicago ; September 30, 2015, University of Chicago ; May 22, 2015, Lunch Seminar, Sciences Po, Paris ; November 14, 2014, Reading Group, Sciences Po, Paris ; July 18, 2014, Lunch Seminar, Sciences Po, Paris ; February 28, 2014, Reading Group, Sciences Po, Paris ; November 15, 2013. Reading Group, Sciences Po, Paris.

ACADEMIC ACTIVITIES

2021–	Athena SWAN Strategic lead and coordinator, University of York
2020–	Co-organizer, Workshop on Labour and Family Economics (WOLFE), University of York
2020–	Member, Exceptional Circumstances Committee, University of York
2019–	Co-organizer, Departmental workshop, University of York
2019 – 2020	Member, Departmental Research Committee, University of York
2015	Contributor, TraME package http://www.trame-project.com/trame-repp.html

2013	Research assistant to Alfred Galichon (“Computational aspects of matching models”)

GRANTS AND AWARDS

Grants

2021	Research and Impact Support grant (£2,457) for the project “Matching models with partial-full assignment: applications to the labour and childcare markets”.
2020	Research and Impact Support grant (£4,748) (with Cheti Nicoletti and Emma Tominey) for organizing WOLFE 2020.

Awards

2021	Departmental nominee for the Vice-Chancellor’s Teaching Awards, “Covid response” category.
2020	Aronson Prize, “Most effective & engaging lecturer”
2020	Aronson Prize, “Best delivered module” for Microeconomics 1, with Dominic Spengler, Madison Kerr, Xi Lin and Shuyi Lou

VISITING POSITIONS

2015 – 2016 Visiting PhD Student, University of Chicago

2015 Visiting PhD Student, MIT

PHD

I earned a PhD in Economics from Sciences Po Paris. My thesis, entitled *Family, Marriage markets and Inequality: A matching approach* was supervised by Alfred Galichon. It was defended on September 14, 2017, in front of Pierre-André Chiappori (Columbia University, reviewer), Gabrielle Demange (EHESS), Arnaud Dupuy (University of Luxembourg, reviewer), Alfred Galichon (New York University (NYU) and TSE, supervisor), Jean-Marc Robin (Sciences Po Paris, president of jury) and Frederic Vermeulen (KU Leuven).
